ABOUT ME

A Computer Science student at BINUS University specializing in end-to-end digital product creation bridging user centered UI/UX design with fullstack and frontend development. Driven by creativity and critical thinking, I focus on building intuitive web and mobile applications that solve real-world problems. I am passionate about turning creative ideas into functional digital solutions that empower users and align with advancing technology.

EDUCATION

Bina Nusantara University, Malang **2024 - Present**
Bachelor's Degree in Computer Science

Santo Yoseph Senior High School, Denpasar **2021 - 2024**

WORK EXPERIENCE

Binus Ambassador | Bina Nusantara University
June 2023 - July 2023

- Represented BINUS University as an official ambassador, promoting study programs, academic achievements, and campus facilities to prospective students and parents across various promotional events, including Open Houses and Education Expos.
- Inviting school friends to register and enroll at Binus University
